I

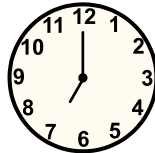

morse

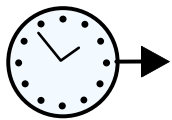

vaknade

jag

klockan 7.

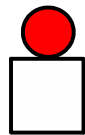

Sedan

tog

jag

på

mig

mina

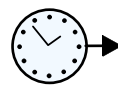

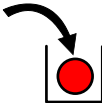

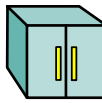

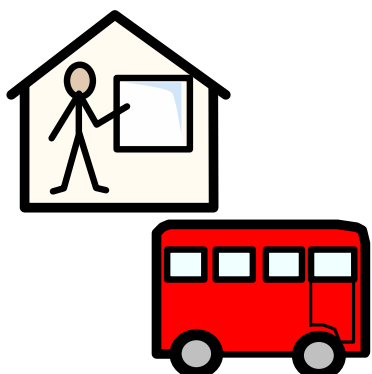

kläder.

 Sedan  åt  jag  frukost.  Jag  åt  toast  och  drack  vatten.

 När  jag  hade  ätit  färdigt  diskade  jag  min  tallrik  och  min  mugg.

 Sedan  ställde  jag  in  det  i  skåpet.

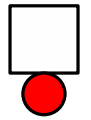

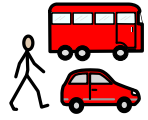

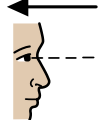

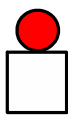

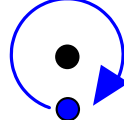

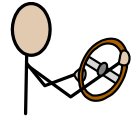

Jag kom till skolan med skolbussen. I skolbussen åkte jag och två

små barn som går i en annan klass i min skola. En chaufför

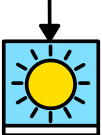

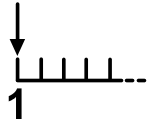

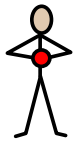

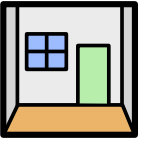

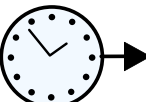

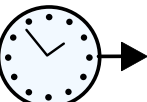

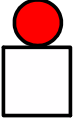

körde skolbussen. Under resan tittade jag på personer ute. Jag tycker om

att åka skolbussen.

 När  jag  slutar skolan  idag  ska  jag  först  ta  det  lugnt  i

 mitt  rum.  Sedan  ska  jag  spela  på  PS4  med  min  bror.

 Till sist  kommer  jag  äta  middag  i  köket.  Min  favoritmat

 är  kyckling  i  sås  med  ris  som  min  mamma  lagar.

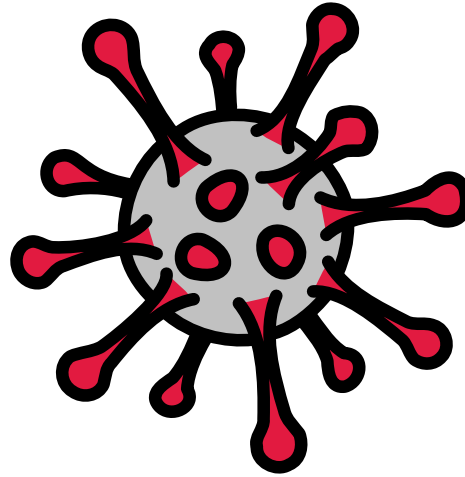

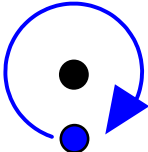

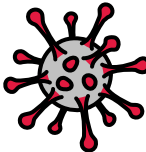

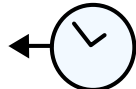

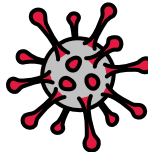

När det är helg brukar jag be med min familj på lördag morgon

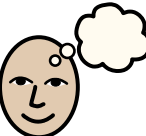

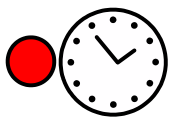

hemma i vårt hus. På söndag brukar vi gå till kyrkan men inte nu

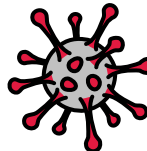

eftersom det är corona. Nu tittar vi på kyrkan hemma på youtube på

vår TV. Jag tycker om att titta på 7kyrkan hemma på TV.

 Jag tycker  inte  om  corona.  Det  har varit  corona  i  9 månader

 nu  och  det  är  länge  tycker  jag.  Innan  var  jag  hemma

 och  rädd  för  corona.

Nu är jag i skolan och pappa sa att jag måste ha

  =     
avstånd. Nu är jag inte rädd för corona.
